PROCEEDINGS: (IN CHAMBERS)

This case was transferred to this District from the Eastern District of Texas on October 13, 2022. Pending at the time was Plaintiff's motion to compel discovery from Defendants. The motion does not comply with our Local Rule 37 or other rules applicable to motions filed in this Court. The motion is therefore DENIED without prejudice to its refiling in full compliance with Local Rule 37 – including meeting and conferring, preparation of a joint stipulation, and the setting of an appropriate hearing date – and any scheduling order issued by the District Judge.

Further, counsel filed documents under seal without an application to do so, apparently relying on the transferring district's local rules. The Court will leave docket entry 82 sealed, but in the future counsel must comply with Local Rule 79-5 if they desire to file anything under seal.
